Core Management

Md Barkat Ullah
Chairman

As Chairman of Best One Global Immigration Service, Md Barkat Ullah brings decades of experience in business management and international relations. His strategic vision and leadership have been pivotal in guiding the company's growth since its inception. With a background in global trade and consultancy, Md Barkat Ullah ensures that Best One Global Immigration Service remains at the forefront of the immigration services industry.

Core Management

SK Alamgir Hossain
Vice - Chairman

As the Vice Chairman, SK Alamgir Hossain plays a critical role in overseeing the operational aspects of Best One Global. With extensive experience in corporate governance and international law, SK Alamgir Hossain provides strategic oversight and ensures that the company's services are delivered with the highest standards of quality. His expertise in legal frameworks and compliance has been instrumental in ensuring the success of the company's visa applications worldwide.

Core Management

Md Nasir Ahmed
Managing Director

Md Nasir Ahmed is the Managing Director of Best One Global. With an LLB diploma from the University of London (2017), Nasir started his career as a student counselor, helping students achieve their study abroad goals. He later shifted his focus to immigration law, founding Best One Global in 2021 to provide high-quality visa services. Nasir has extensive experience working with World Vision Overseas and Career Vision, which has given him valuable insights into the immigration industry.

Nasir has successfully managed over 1,000 visa applications, earning a reputation for his expertise and commitment to client success. His leadership has been instrumental in building Best One Global into a trusted partner for individuals alike.

Md Fahim Bin Shahid

HR Manager

The HR Manager is vital for the organization's success. They oversee recruitment, ensuring the agency attracts top talent to enhance service delivery. This manager develops training programs that equip employees with essential skills in customer service and destination knowledge. They also manage employee relations, addressing concerns to maintain a positive work environment. Performance evaluations and feedback processes are implemented to promote growth and development. By cultivating a supportive workplace culture, the HR Manager fosters employee engagement and retention.

Md Yeasen Arafat

Assistant Manager

The Assistant Manager plays a crucial role in ensuring smooth operations within the agency. They assist the manager in overseeing daily activities, managing staff, and providing excellent customer service. Key responsibilities include coordinating travel bookings, resolving client issues, and maintaining relationships with suppliers. They also analyze market trends to develop promotional strategies and improve sales. Strong organizational, communication, and leadership skills are essential for this role. Additionally, they often handle administrative tasks, train new employees, and ensure compliance with industry regulations, contributing to the overall success of the travel agency.

Fahim Muntasir

IT Manager

The IT Manager plays a crucial role in ensuring the smooth operation of technology systems within the agency. This professional is responsible for managing IT infrastructure, including hardware, software, and networks, to support travel operations. Additionally, the IT Manager ensures data security and compliance with regulations, protecting sensitive customer information. They collaborate with vendors to procure necessary technology and provide training to staff on new tools and systems. The IT Manager also addresses technical issues, minimizing downtime and enhancing productivity. Overall, their expertise in technology is essential for optimizing operations, improving customer experiences, and driving the agency's success in a competitive market.

Adiba Khan Jihan

Counselor

A Counselor is essential in guiding clients through the planning and booking of their trips. They assess customers' needs, preferences, and budgets to recommend suitable destinations and itineraries. This role requires extensive knowledge of travel products, including flights, accommodations, and activities. Counselors build relationships with clients, providing personalized service and support throughout the travel experience. They stay updated on travel trends, regulations, and safety protocols to offer accurate advice. Additionally, they handle bookings, manage itineraries, and address any issues that arise during travel.

Md Lutfor Ahmed

Video Graphics & Motion Designer

The Video Graphics & Motion Designer plays a vital role in creating engaging visual content that captures the essence of travel experiences. They design promotional videos, animations, and graphics that showcase destinations, services, and brand stories. Utilizing software like Adobe After Effects and Premiere Pro, they bring ideas to life, ensuring high-quality visuals that resonate with audiences. Their creativity enhances marketing efforts, attracting potential clients and increasing brand visibility. Collaborating with marketing teams, they ensure consistency in messaging and aesthetics. By crafting compelling narratives through motion graphics, they help the agency stand out in a competitive industry, driving customer interest and engagement.

Our Services

We offer a comprehensive range of visa services, ensuring that all visa applications whether for education, work, or tourism are processed with care and attention to detail.

Student Visa Processing

Our flagship service, student visa processing, is designed to help students fulfill their academic dreams abroad. We partner with top universities globally and assist students from the initial application phase to securing their visa. Our services include:

Assistance with choosing the right program and institution. Comprehensive guidance on the application process. Document preparation and submission. Visa interview preparation and coaching. Post-visa support, including accommodation assistance and scholarship advice.

Work Visa Processing

We provide expert guidance for professionals seeking international job opportunities. Whether you're a skilled worker or a professional looking to expand your career, our team will handle all aspects of your work visa application. Services include:

Reviewing job contracts and ensuring they meet visa requirements. Preparing and submitting visa applications. Advising on necessary legal documentation and salary thresholds. Assistance with family visa applications for dependents.

Business Visa Processing

Entrepreneurs and investors looking to explore opportunities abroad rely on Best One Global to manage their business visa applications. We assist with:

Visa processing for short-term business travel, conferences, and meetings. Long-term business visas for establishing or expanding businesses internationally. Investor visa applications, ensuring compliance with investment thresholds and documentation.

Tourist Visa Processing

For individuals and families planning to travel abroad for leisure or to visit relatives, we offer streamlined tourist visa services. Our team assists with:

Completing and submitting visa applications. Ensuring all travel documentation is in order, including tickets, accommodation details, and travel insurance. Advising on visa requirements for multiple destinations, including Schengen visas.

Services for International Students Wishing to Study in Bangladesh:

Assistance with selecting the right educational institution in Bangladesh. Guidance on the visa application process. Document preparation, submission, and compliance with visa regulations. Support with post-arrival formalities like accommodation and student registration.

Permanent Residency and Citizenship Applications

Best One Global provides full support for clients seeking permanent residency or citizenship. Our team ensures compliance with residency and citizenship requirements in various countries, providing:

Guidance on eligibility criteria.

Assistance with document preparation and submission. Liaison with immigration authorities to track application progress.

Our Team

Our experienced team at Best One Global is the backbone of our success. Each member brings specialized skills and years of experience in immigration law, visa processing, and client management.

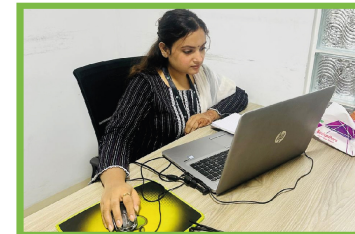

Our Success Story

At Best One Global, we take pride in our clients' success. Below are a few stories that highlight the impact of our services:

Some of our Success Story

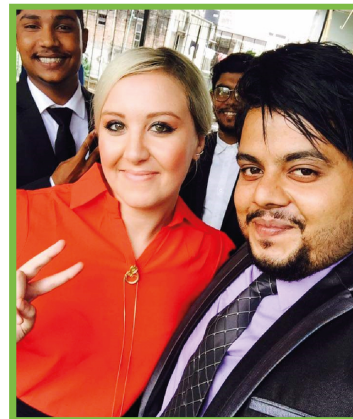

Office Activity

Md Nasir Ahmed – Collaboration with International Delegates

Md Nasir Ahmed has had the privilege of working with international delegates and immigration experts from around the world. His collaborations have expanded his understanding of global immigration policies and helped strengthen Best One Global's international network.
